

# Heavy Duty Lift Equipment

**CAT**<sup>®</sup>

# Heavy Duty Triple Lift Jack

- Cat® heavy duty hydraulic jacks offer unique patented solutions for the heavy DIY'er and professional technician.
- Properly lifts & holds most unibody & body on frame trucks, SUVs & other popular vehicles with a curb height of 140mm or greater. Including but not limited to many popular makes and models on the road every day.

# Hydraulic Mower Jack Lift

- Cat® safety side lift tractor mower jack.
- Eliminates body exposure directly underneath mower like traditional jacks.
- Heavy duty double bar lifting platform lifts most traditional and zero turn mowers.
- Adjustable pin lock safety bar supports 272 KG. Side lift weight.
- Comfortable quick under deck cleaning, inspection and assorted maintenance.
- Effortless foot pedal hydraulic lifting.
- Rubber shock pads absorb weight and protects mower from scratching.
- Heavy duty powder coated painted finish minimizes scratching and exposure to the elements.
- Max lift height: 890mm @ 45-degree angle, max lift load: 272 KG
- Max rear wheel track: 1030mm, wheel width: 280mm

**1,814 KG (2 TON / 4000 LB)**  
**3-in-1 Triple Lift Garage Jack**  
 #980223

**Lifting Range: 140mm - 445mm**

- Locking safety bar holds load securely
- Removable saddle and padded rails for versatile function between use on car, motorcycle or ATV
- Wide base & wheels improves stability for lifting load safely
